PLATINUM CARGO LOGISTICS, INC. ANNOUNCES NEW OFFICE

Torrance, CA – Platinum Cargo Logistics, Inc. announced today that it has opened a new licensee office in San Juan, Puerto Rico.

Operating as the San Juan Regional Office, this new location is a valued member of the growing Platinum Cargo Logistics network. “San Juan is known as “the island of manufacturing” being a leader in the automotive, machinery, medical, pharmaceutical, fashion and textile industries. It is also the fourth busiest seaport in the western hemisphere, ranked among the top 17 in the world in terms of container movement. Platinum believes it makes strategic sense to establish representation in Puerto Rico and we are grateful to have had the opportunity to recruit Julio Pereira and his team. In Puerto Rico, it is very important to have local representation that understands the market intimately and can forge strong and lasting relationships with import and export decision makers. Platinum is perfectly positioned to build a dynamic presence in the San Juan market” commented Diana Bomar, VP of Business Development for Platinum.
